Each Square is worth **1%** of the **10%** possible.

\*You may do additional Algebra 1 CLO's if you feel like some of the Geometry assignments were not done in quality or worked incorrectly to make sure you get to 10%.

In addition you are required to check in during a Zoom meeting at least 3 times from April 13 to May 15 on Friday's each week at 2:30 pm. If this time doesn't work we will find a time that does so you can meet this requirement.
